

**Petition for State of Ohio:
Animal Cruelty Laws in the State of Ohio
NITRO'S LAW HB-108**

We, the undersigned residents of Ohio, request that our elected legislators vote to support and pass HB-108 (Nitro's Law) animal cruelty legislation. House Bill 108 increases the penalty imposed to a registered kennel owner or animal custodian who knowingly commits animal cruelty to a companion animal from a first degree misdemeanor to a fifth degree felony.

We respectfully request that you review this legislation and do all you can do to support the strengthening of our laws to protect our companion animals. Thank you.
